- R408 — Support Professional Program Management/Support
- R425 — Support Professional Engineering/Technical

DIFFERENTIATORS

- DPAS is independent of any vendor in the process control industry
- DPAS founder Patrick J Dixon, PE, PMP has experience in the automation industry since 1984
- DPAS founder Patrick J Dixon, PE, PMP has past experience with several successful federal government projects

PRIOR SUCCESS

Pat Dixon, PE, PMP is President of DPAS and has past experience delivering excellent results for federal agencies. When employed by Global Process Automation in 2017 he managed the delivery of a new process control system for the Bureau of Reclamation (BOR) in Dolores CO. BOR contract officer Robert Stump said *"GPA provided excellent service on our project that met all technical and performance requirements. We are pleased with GPA's professionalism and can-do attitude."* Pat brings the same standard of excellence to DPAS.
